

Environmental Policy Statement

Neville UK PLC is committed to leading the industry in minimising the impact of its activities on the environment.

The key points of its strategy to achieve this are:

- Minimise waste by evaluating operations and ensuring they are as efficient as possible.
- Utilise technology & e-commerce to reduce stationary usage
- Actively promote recycling internally. Over 75% of our waste is now re-cycled.
- In excess of 95% of our packaging materials are from re-cycled cardboard, equating to 65 tonnes of cardboard per annum.
- To comply with all relevant environmental legislation.
