

Nevilles is proud to announce that we will formally be supporting Young Epilepsy as its primary charity.

Young Epilepsy is a national charity providing specialist services and support for children and young people with epilepsy and other neurological conditions. These include Aspergers, autism and a wide range of learning difficulties from moderate to profound and multiple.

The main centre for this work is based in Lingfield, Surrey.

More information can be found at [www.youngpilepsy.org.uk](http://www.youngpilepsy.org.uk)

We look forward to developing our relationship with this great cause and providing great support for many years to come.

If anyone would like any more information or would like to know how they can help then please let me know.
